

**PROJECT SUPPORT POSITION (TCP3) IN SOCLIMPACT PROJECT (“DOWNSCALING CLIMATE IMPACTS AND DECARBONISATION PATHWAYS IN EU ISLANDS, AND ENHANCING SOCIOECONOMIC AND NON-MARKET EVALUATION OF CLIMATE CHANGE FOR EUROPE, FOR 2050 AND BEYOND”), FUNDED BY THE HORIZON 2020 PROGRAM (SC5-06-2016-2017, GRANT AGREEMENT Nº 776661) FOR THE PERIOD 2017-2020.**

The University of Las Palmas de Gran Canaria (ULPGC), Spain wishes to appoint 1 Project Support contract to work in the EU Project SOCLIMPACT during 6 months.

The SOCLIMPACT project (“Downscaling Climate Impacts and Decarbonisation Pathways In EU Islands, And Enhancing Socioeconomic and Non-Market Evaluation Of Climate Change For Europe, For 2050 And Beyond”), funded by the Horizon 2020, aims at modelling and assessing downscaled CC impacts and low carbon transition pathways in European islands and archipelagos for 2050 - 2100, complementing current available projections for Europe, and nourishing actual economic models with non-market assessment.

The University will recruit the best candidate following the recommendations of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers. The job offer will be published through a wide range of portals. The evaluation of candidates and their selection criteria will be aligned with the equal opportunities policies of the ULPGC. Selection and hiring procedures will follow transparent mechanisms attending national and regional legislation.

The selection committee will be composed by Mr. Antonio Marcelino Santana González (General Manager of Fundación Canaria Parque Científico y Tecnológico at the ULPGC), Ms. Almudena Suárez (who will act as secretary of the commission), Prof. Carmelo León González (SOCLIMPACT coordinator at ULPGC, who will act as President of the Commission) and Mr. Matías González Hernández (researcher of SOCLIMPACT project).

## PREREQUISITES

The candidates must comply the following conditions:

1. Nationality:
  - a. Spanish nationality or that of one of the other member states of the European Union.
  - b. Whatever his nationality, spouses of Spaniards and nationals of other Member States of the European Union.
  - c. People included into International Agreements concluded by the European Union and ratified by Spain, related to free movement of workers.
  - d. Foreign candidates not included in paragraphs above, legally resident in Spain.

2. Age: Be over eighteen.
3. Degrees: possession of a Bachelor's Degree in Economy. Other degrees and/or doctoral studies on Tourism, Transport and Environment will be positively evaluated.
4. Language: Demonstrate a good level of English (min. level B1).
5. Research and Teaching experience in the following areas: Macroeconomics, Environmental Economic Valuation; Socioeconomic impact assessment;
6. Professional experience: experience in EU Projects.

### **WORKING CONDITIONS**

This temporary contract is for specified work and services for the execution of SOCLIMPACT project in the Foundation Canary Scientific and Technology Park of the University of Las Palmas de Gran Canaria.
